

Fordham Digital Scholarship Consortium

Community Planning Meeting

Thursday, September 13th, 2018 @ 1:00PM

Faculty Memorial Hall, Rm 233

AGENDA/MINUTES

1. Introductions
2. Overview of Fordham's Strategic Research Consortium on Digital Scholarship
 - a. 9/20 Workshop: [Being a Scholar in the Digital Era](#)
 - b. Spring 2019 Workshop
 - i. Requests were solicited via google drive (see below)
 - c. Summer 2019 Faculty Research Abroad Program in London
 - i. George Hong and Maryanne Kowaleski spoke more in detail about the program, which will take place in June 2019.
 - ii. It is a joint program with University of London, Birkbeck and Fordham, NYU and Columbia. The idea is to foster collaborative research in digital scholarship between the US and the UK.
 - iii. The RFP will be released soon
 - d. Fall 2019 Symposium with NYU and Columbia
3. Spring 2019 Scholarly Development Workshop
 - a. [Request for Ideas: Topic and/or Speaker](#)
4. Fall 2019 Symposium on "Mapping (In)Justice"
 - a. General Theme and Structure of Symposium
 - i. There will be two keynotes, one by a graduate student and one by a faculty member
 - ii. George has suggested the dates of November 8-9, 2019 and we have begun to work with David Heston in the Office of Research on reserving rooms
 - iii. No simultaneous panels: approximately 10-20 papers depending on submissions
 - iv. Goal: 80-100 attendees
 - v. Idea for some sort of community/civic engagement project/event to coordinate with the conference

Fordham Digital Scholarship Consortium

- b. [Request for Ideas: Panel Topics and Sub-Themes](#)
 - i. Four potential sub-themes:
 - 1. Mapping Public History
 - 2. Mapping Urban Environments
 - 3. Mapping Citizenship
 - 4. Mapping Injustice
 - c. Graduate Student Involvement
 - d. Planning and Review Board
 - i. George Hong recommended two committees: an Academic Review Committee to review and accept papers, and an Organizational Committee to deal with logistics, scheduling, etc.
 - e. Conference Proceedings and Edited Volume
 - i. We will use the research repository for first publications before the conference (short refereed papers)
 - ii. Planned volume after the conference with FUP
- 5. Ongoing FDSC Activities
 - a. Digital Project Workshopping
 - i. [Sign-up to Present a Digital Project in Process](#) (any stage of development)
 - ii. Identify Ideal Times/Days for meet ups
 - b. [Fordham Digital Collaborative](#)
 - i. [Digital Events](#) - for sharing and finding events at Fordham
 - ii. [The FDSC Collab](#) - for consortium-related planning, updates, documents, and events.
 - 1. Need to figure out FERPA issues for posting student work
 - iii. [Participant Profiles](#) - for creating scholarly profiles.
